Two numbers worth holding side by side before you start collecting quotes.

\$58 a month — the cheapest SR22 rate found in Indiana. Travelers, Fort Wayne.

\$66 to \$88 — the statewide average for minimum coverage.

Roughly \$30 separates the floor from the top of that average range. About a third of the higher figure.

Which means the average by itself doesn't tell you much. What matters is how close to the floor your market and profile let you get.
